1. Notwithstanding the closing of this transaction, the Purchaser's covenants, warranties and agreements in this Agreement shall survive and not merge and the Purchaser shall give to the Vendor any further written assurance as may be required by the Vendor to give effect to this covenant either before or after the Closing Date. The Vendor, the subdivider (the "Subdivider") of the plan of subdivision in which the Property is situated or their servants or agents may, for such period after closing as is designated by the Subdivider and/or Vendor, enter upon the Property at all reasonable hours to enable completion or correction of sodding, to inspect, repair, complete or rectify construction, grade and undertake modifications to the surface drainage, including installation of catch basins and or infiltration trenches, without liability therefore, and the Transfer/Deed may contain such provisions.
  - a) The Purchaser will not alter the grading of the Property contrary to the municipally approved drainage pattern, and provided that lot grading has been completed in accordance with the municipally approved drainage and/or grading control plan, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto. If the Vendor has not undertaken to pave or finish the driveway pursuant to this Agreement, the Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor and the prior written consent of the Subdivider and the Municipality, if required by the subdivision agreement or any other municipal agreement. Following such approval and prior to completing the driveway, the Purchaser shall notify the Vendor in writing so that water keys can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment. The Purchaser agrees that neither the Purchaser(s) nor their successors or assigns shall construct or install a swimming pool, fencing, decking or any other accessory building nor shall the Purchaser alter or widen the driveway upon the Property until after the Vendor has obtained acceptance of lot grading from the Municipality and the Subdivider. The Purchaser agrees to remove such additions and/or improvements at its own cost upon the Vendor's request, failing which the Vendor may remove same at the Purchaser's expense.
  - b) The Purchaser acknowledges that construction of the Dwelling may be subject to the requirements of the architect appointed by the Subdivider of the Property (the "Control Architect") and the Purchaser agrees to accept the Dwelling subject to any changes, variations or restrictions now or hereafter imposed or approved by the Subdivider or Control Architect.
  - c) The Purchaser acknowledges that the dimensions of the Property set out in this Agreement or on any schedule attached hereto or shown on drawings or plans made available to the Purchaser on site or otherwise, are approximate only. In the event the frontage, depth or area of the Property is varied from those specified in the Agreement, or on any schedule attached hereto or shown on drawings or plans made available to the Purchaser on site or otherwise, as aforesaid, or any or all of the foregoing and provided the Property complies with municipal and other governmental requirements including zoning by-laws, the Purchaser agrees to accept all such variations without claim for abatement in the Purchase Price and this Agreement shall be read with all amendments required thereby. In addition to the foregoing, if minor variations to the size of the dwelling including internal dimensions of any areas are made to the dwelling the Purchaser shall accept such minor variations without any abatement to the Purchase Price.
  - d) This Agreement is conditional upon compliance with the subdivision control requirements of the Planning Act (Ontario) which compliance shall be obtained by the Vendor at its sole expense, on or before closing.
  - e) All exterior elevations and colours are architecturally controlled and approved. No changes whatsoever which are requested by the Purchaser will be permitted to the aforementioned and the Purchaser hereby acknowledges notice of same and agrees to accept the exterior elevation and colour scheme chosen by the Vendor and approved by the Municipality and the Control Architect.
  - f) The Purchaser acknowledges and agrees that in the event the dwelling unit being purchased herein is a semi-detached dwelling unit, the lot upon which such semi-detached dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot.

### **ARCHITECTURAL CONTROL AND SITING**

2. The Purchaser(s) acknowledges that the model type indicated in this Agreement has been preliminarily sited and is subject to final siting approval by the Municipality, the Architectural Control Committee, the Control Architect or the Vendor's surveyors. In the event such final siting approval is not obtained from any of the foregoing, the Purchaser(s) shall be given the first opportunity to submit an offer for a model type that does meet final siting approval for this particular lot. In the event an Agreement for another model type is not consummated within five (5) days of notification to the Purchaser(s) of which model type does meet the final siting approval requirements, this Agreement shall be at an end, the Purchaser(s) shall be entitled to a refund of the deposit money, without interest, but in no event shall the Vendor or the Agent be liable for any damages or costs whatsoever.

### **CONSTRUCTION APPROVALS AND CONSTRUCTION**

3. The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "Dwelling") of the type herein before indicated in accordance with the plans of the Vendor therefore and filed or to be filed with the Municipality in order to obtain a building permit and the specifications set out in Schedule "A" annexed hereto.
  - a) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Dwelling will be constructed substantially in accordance with the plans and specifications to be filed with the Building Department of the Municipality in which the

dwelling is located, and in accordance with the *Ontario Building Code* and the Purchaser shall have no claims against the Vendor for any higher or better standards of workmanship or materials than required in such plans and specifications and pursuant to the *Ontario Building Code*. The foregoing shall constitute complete and absolute acceptance by the Purchaser of all construction matters, and the quality and sufficiency thereof, including, without limitation, all mechanical, structural, and architectural matters. Subject to the Tarion Warranty Corporation ("**Tarion**") guidelines and bulletins, the Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal to or better, and the Vendor shall also have the right to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality and/or the Control Architect. The Purchaser acknowledges and agrees that it shall have absolutely no claim or cause of action against the Vendor for any such changes, variances or modifications, nor shall the Purchaser be entitled to any notice thereof. The Purchaser acknowledges and agrees that this paragraph may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title against the Vendor.

- b) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, corner lot fencing (including the location of such corner lot fencing), exterior colour schemes, or any other matter external to the Dwelling designed to enhance the aesthetic of the community as a whole, may be imposed by the Municipality and/or the Subdivider and/or the Control Architect. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "Amended Elevation"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Purchaser acknowledges and agrees that Amended Elevations can cause interior changes as well and the Purchaser hereby irrevocably agrees to accept such interior changes as caused by the Amended Elevation. The Vendor shall have the right, in its sole discretion, to construct the herein before described Dwelling either as shown on the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. The Purchaser hereby irrevocably accepts construction of a reverse mirror image Dwelling plan without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type herein before described. Further, in the event the Vendor determines, at its sole discretion, to construct the Dwelling at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, necessitating a step, landing or series of steps to the front door, side door, rear door, or any door from the garage to the interior of the Dwelling (notwithstanding that such step, landing or series of steps may encroach into the garage parking area and/or affect the interior floor area of the dwelling adjacent to such step, landing or series of steps), the Purchaser hereby irrevocably agrees to accept such change without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling type herein before described.
- c) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement or look-out basement and such is required, pursuant to final approved grading and engineering plans, and/or architectural control, the Purchaser shall accept a credit in the Purchase Price, or, pay the additional cost involved in constructing such walk-out basement or rear deck, as the case may be (such costs shall be absolutely determined by Statutory Declaration sworn on the part of the Vendor).
- d) The Purchaser acknowledges that certain lots within the subdivision may require catch basins and/or infiltration trenches in the rear yard and associated leads and that hydro transformers, street light poles and hydrants will front onto certain lots (including the Property) within the Subdivision. The Purchaser agrees to accept the Property subject to any retaining walls, catch basins, fencing, landscaping, entrance features, infiltration trenches or other subdivision enhancement features required pursuant to the municipally approved plans.
- e) In the event the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor completing all of its work or construction within the Subdivision, the Purchaser covenants and agrees to permit the Vendor and its agents and sub trades to enter upon the Property for the purposes of completing work on an adjoining property or other properties in the Subdivision and the Purchaser shall not interfere with any work or construction being so performed by the Vendor and its agents and sub trades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser.
- f) The Purchaser acknowledges that all electrical, and mechanical rough-in changes will not be permitted unless processed and approved by Vendor 90 days prior to excavation of the dwelling.
- g) The Purchaser covenants and agrees that he shall pay to the Vendor in advance for all extras, upgrades or changes ordered by the Purchaser at the time such order is made and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed for any reason whatsoever save and except for the default of the Vendor. The Vendor reserves the right, and the Purchaser acknowledges that the Vendor will charge credit

card fees on any extras, upgrades and/or changes ordered by the Purchaser where the Purchaser selects to pay via credit card. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or it cannot complete the extras, upgrades or changes then there shall be refunded or credited to the Purchaser in the manner following, that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, at the Vendor's discretion, the Purchaser received credit on the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to above and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made, or credit being given, the Vendor shall be deemed to have been released from any and all obligation, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event no such amount was paid or quantified in Schedule "E", or the "Options and Upgrades Agreement", then no refund or credit shall be paid to the Purchaser and no further compensation shall be owed by the Vendor. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishings, or performs any work in or about the Dwelling which causes a delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing Date herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work. At the Vendor's sole and unfettered discretion and upon the Vendor's terms, the Vendor and the Purchaser may agree to an alternate payment arrangement for extras, upgrades or changes. If an alternate payment arrangement agreement is made, the Purchaser acknowledges and agrees that any unpaid deposit, or partial payment not made by the due date for such payment and or partial payment and/ or deposit for extras shall constitute a default by the Purchaser under this Agreement of Purchase and Sale and the Vendor may exercise any or all of its remedies set forth in this Agreement. Further in addition to the foregoing the purchaser hereby agrees to pay as an adjustment on closing the sum of **Two Hundred and Fifty (\$250.00) Dollars plus applicable taxes** as a late extra/décor payment administration fee for each extra/décor payment that is late.

- h) The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as cushion floor, laminate floor, carpet, floor tiles, roof shingles, brick, aluminum or vinyl siding, bath tubs, water closets, sinks and other such products where the product manufacturer establishes the standard for such finishes. Any breach of the foregoing shall constitute a breach of this covenant which shall, at the Vendor's sole option, entitle the Vendor to terminate this Agreement and the Vendor shall be entitled to retain the deposit monies as liquidated damages and not as penalty in addition to and without prejudice to any other remedy available to the Vendor arising out of such default and the Purchaser shall have no further right to or interest in the Property.

### **UNLAWFUL WORK**

  - b) finish the dwelling to the extent possible, as determined by the Vendor in its sole discretion, without regard to possible damage to the Unauthorized Work and without incurring any additional expense as a result of the Unauthorized Work; OR

In the event any one or more of the provisions of this Agreement or any portion or portions thereof are invalid or unenforceable, the same shall be deemed to be deleted herefrom and shall not be deemed to affect the enforceability or validity of the balance of this Agreement of Purchase and Sale. The Purchaser, if required by the Vendor, shall execute and deliver on closing one or more covenants incorporating the terms hereof. There is no representation, warranty, collateral Agreement or condition affecting this Agreement or the Property, or supported hereby, except as set forth herein in writing. In the event there is a conflict between any term(s) in this Agreement, the Vendor shall determine which conflicting term(s) prevail(s). The Purchaser acknowledges and agrees that the covenants and obligations of the Vendor contained in this Agreement shall be those of the Vendor only and should the Vendor represent or act as trustee or agent on behalf of a beneficiary or principal (whether disclosed or undisclosed) in executing this Agreement, such beneficiary or principal shall have no liability under this Agreement, such liability being restricted to the Vendor only. All buildings and equipment shall be and remain at the Vendor's risk until closing. In the event of any damage to the Dwelling, however caused, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage on the Dwelling. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor.
  - b) The Purchaser acknowledges that the Subdivision Agreement entered into between the Subdivider and the Municipality may require the Vendor to provide the Purchaser with certain notices ("Notices"), including, but not limited to, land usage, maintenance of Municipal fencing, school transportation, noise levels from adjacent roadways, noise and/or vibration levels from nearby railway lines, the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. In the event the Subdivision Agreement is not registered as of the date of acceptance of this Agreement, and therefore the Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor herein, and if the Municipality requires the Purchaser to receive a copy of the Notices, then a copy of the Notices as revised as necessary, shall be emailed to the Purchaser's email address as shown on this Agreement or to the Purchaser's solicitor and such electronic closing be deemed to constitute appropriate notification.   - b) In the event that the Purchaser shall have made a choice of colours and/or materials from either the Vendor's samples or otherwise as aforesaid and because of lack of supply the installation of such colour choice and material cannot be completed in accordance with the Vendor's construction schedule, the Purchaser shall choose alternate colours and materials within three (3) days and in the event the Purchaser fails to make an alternate selection as aforesaid, the Vendor shall have the option of choosing the colours and materials and the Purchaser shall be obligated to accept same.
  - c) In the event that by the Closing Date the installation of the selected colours and upgraded materials or other work to be performed by the Vendor or its subtrade(s) has not been completed, and as a result thereof the Dwelling has not been completed, then the Purchaser shall, notwithstanding such incomplete work, complete the transaction on the Closing Date and shall pay the full amount required to be paid on closing in accordance with this Agreement.
  - d) In the event that the Purchaser shall not have made his selection within ten (10) days after notification by the Vendor or an extended date acceptable to the Vendor, then the Vendor shall have the option of choosing the colours and materials for and on behalf of the Purchaser and the Purchaser agrees to accept same.
  - e) In the event that the Purchaser has installed or has requested the Vendor to install a different floor covering than that which the Vendor would normally install in the dwelling, then the Purchaser agrees that if any defects should come to light for which the Vendor is normally responsible and repairs to which require the removal of the said floor covering, the Vendor will not be responsible to effect such repairs. For purposes of this Agreement "floor covering" shall mean any type of finished floor covering which is normally placed on the sub-floor and without limiting the generality of the foregoing, shall include tile, hardwood, marble, terrazzo and carpet.
  - f) Where omissions occur on the original colour selection sheet, the Purchaser acknowledges that selection by the Vendor will be final.

**and the Purchaser agrees to accept the Vendor's choice in that regard. If the vendor chooses to complete said upgrades, then the purchaser agrees to pay the costs for said upgrades as an adjustment to the purchase price on closing.**

- h) The Purchaser agrees that if after having made the original colour selections the Purchaser does make a change erroneously or otherwise, he will be deemed responsible for all errors resulting from any double selections. Any change to processed selection will be subject to **Two Hundred and Fifty Dollars (\$250.00)** plus applicable taxes Administration charge.
- i) The Purchaser further agrees that in the event that the Vendor has preselected colours prior to the purchase herein of the Property, the prescribed colours shall be final notwithstanding that the Purchaser may have completed a colour selection/chart.

- a) Notwithstanding anything herein written, if at the time that this Agreement is executed, the dwelling constructed on the Property has already been substantially completed, the Purchaser shall purchase the Property in an "as built" and "as is" condition rather than in accordance with any other representations herein contained.
  - b) Furthermore, in the event that the Dwelling has been used as a model or show home, the Purchaser acknowledges that the subject premises has been used extensively as a "Model" of "Show" home, and as such, has been subjected to the normal wear and tear associated with that purpose. Unless otherwise specifically agreed in writing, no refinishing shall be done by the Vendor on the subject premises and the Purchaser agrees to accept the dwelling on closing on an "as-is" basis. For the purposes of clarity only, and without restricting the generality of the foregoing, the Purchaser hereby waives any claim in respect of scratched floors, counters or plumbing fixtures; or, sun-faded paint and stain colours.

- 24.
- a) The Purchaser agrees to personally occupy the Dwelling as their principal residence forthwith after Closing, and to allow the Vendor's inspectors or agents or representatives of Canada Revenue Agency access to the Dwelling at all reasonable hours until the Vendor has received all HST Rebates. In the event that the Purchaser does not personally occupy the Dwelling as his principal residence and deliver on closing the necessary documents, evidence and affidavits required by the Vendor with respect to the HST, then the Purchaser shall pay an amount on closing equal to such HST Rebate that would have been available had the Purchaser occupied the Dwelling as his/her principal residence.
  - b) This paragraph 24(b) deals with the payment of federal goods and services tax and the Province of Ontario's portion of any harmonized single sales tax (which combined harmonized single sales tax is called the "HST") and the rebate of HST (that is both the federal and provincial rebates) for new houses (the "HST Rebate"), under the Excise Tax Act (Canada) as amended and the regulations there under (the "ETA") as follows:
    - a) The Vendor agrees that the Purchaser Price is inclusive of HST (but net of the HST Rebate) and that following Closing it will pay and remit the HST (net of the HST Rebate), in accordance with the provisions of the ETA, subject to the Purchaser assigning to the Vendor (or as the Vendor may otherwise direct) the HST Rebate, as hereinafter set out. The Purchaser hereby assigns to the Vendor or the Vendor's designate all of the Purchaser's right, title, and interest in and to the HST Rebate including the Purchaser's entitlement thereto, all in respect of the Real Property.
    - b) The Purchaser agrees to comply with the ETA and with all other laws, regulations, rules and requirements relating to HST and HST Rebate and to do such acts and to complete and deliver to the Vendor before, on, or after Closing, as the Vendor may require or direct, such documents, certificates, declarations, instruments, and applications to enable the Vendor or its designate to obtain payment of the full amount of HST Rebate and in such form and content as the Vendor may require or direct, including, without limitation:
      - a) A prescribed new housing rebate application containing prescribed information executed by the Purchaser; and
      - b) Assignment of HST Rebate to the Vendor or its designate.

  - d) In the event that the Purchaser is not eligible for the HST Rebate or any part thereof, (whether determined on or after the Closing and notwithstanding that the price of the Real Property would qualify for a rebate) pursuant to the provisions of the ETA, then the Purchaser shall forthwith upon demand pay a sum equal to the HST Rebate that would have otherwise been applicable to the Real Property, to the Vendor (or to whomever the Vendor may in writing direct) by way of

certified cheque and the Purchaser shall not be entitled to any credit for or with respect to the HST Rebate. The Purchaser hereby agrees that the amount of the HST Rebate to be paid by the Purchaser to the Vendor (or as it may direct) in accordance herewith shall be a charge against the Real Property in favour of the Vendor, and secured by a lien (including a vendor's lien), charge or caution as the Vendor deems appropriate on and against the Real Property.

- e) If the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the HST Rebate and in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the HST Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the HST Rebate as aforesaid) be fully entitled to pursue the procurement of the HST Rebate directly from the CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Dwelling after the Closing Date, the Purchaser shall not be entitled to the HST Rebate, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the Excise Tax Act, as may be amended from time to time, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.
- f) The Purchaser represents and warrants that the Purchaser qualifies for the HST Rebate and confirms and agrees that the Vendor is relying upon such representation and warranty to the Vendor's detriment. The Purchaser covenants and agrees that such representation and warranty shall be true and correct at Closing and shall not merge on Closing but shall continue thereafter. If the foregoing representation and warranty is not true and correct in all respects, then (in addition to the foregoing provisions of this paragraph 24(f), the Purchaser hereby indemnifies and saves harmless the Vendor or its designate from and against all costs, expenses, actions, suites, causes of action, proceedings, damages and liabilities, which the Vendor or its designate may sustain or incur, including without limiting the generality of the foregoing, any penalty, fine, interest, other charge, payment or expense whatsoever, which the Vendor or its designate may sustain suffer or incur.

Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST eligible with respect to any of the closing adjustments payable by the Purchaser pursuant to this Agreement, or any extras or upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the Excise Tax Act. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Rebate Reduction") then the Purchaser shall pay to the Vendor on the Closing Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Rebate Reduction.

The Purchaser(s) consents to the Vendor collecting and possessing the Purchaser's name and "personal information" (as such term is defined in the Personal Information Protection and Electronic Documents Act 2000, c.5) obtained by the Vendor pursuant to and in connection with this Agreement. The Purchaser acknowledges and agrees that the aforesaid information has been provided to the Vendor with the Purchaser's knowledge and consent. In addition, the Purchaser(s) consents to the Vendor using, releasing, disclosing and/or retaining on file the Purchaser's name and personal information to: (a) a company or organization affiliated, associated or related to the Vendor, in order to provide the Purchaser with information relating to this project and other projects of such entities; (b) any provider of utilities, services and/or commodities to the Property (including, without limitation, gas, electricity, water, telephone, internet and other communication services, cable, heating, cooling, satellite t.v., appliances and/or property tax assessments) for the purpose of marketing, promoting and providing such utilities, services and/or commodities to the Property; (c) the Vendor's consultants and lending institution(s) for the purpose of arranging financing to complete the transaction contemplated by this Agreement; and (d) the Vendor's sales agents and representatives for the purpose of using same for promotional and marketing purposes.

### **ELECTRONIC COMMUNICATIONS**

43. The federal government has enacted legislation that requires we obtain your consent to send you electronic communications, which may include correspondence, requests, announcements, updates or other information that may be of interest to you.
- a) By signing this Agreement you agree to receive electronic communications from the Vendor, as well as from our affiliated corporations and/or related entities. In addition, the Purchaser consents to receiving electronic commercial messages from the Vendor's trades, businesses, bodies or agencies which shall include but not be limited to (i) financial institutions or private lenders; (ii) insurance companies; (iii) any of the Vendor's trades or suppliers or any sub-trades and sub-suppliers; and (iv) providers of telephone, television, telecommunications, security and utility services.
  - b) You can withdraw your consent to receiving electronic communications at any time by contacting [info@opushomes.com](mailto:info@opushomes.com).

### **ADVERTISING AND PROMOTIONAL MATERIALS**

44. The Purchaser acknowledges and agrees that the Vendor shall have the right to use drawings, photographs, videos or other depictions of the interior and/or exterior of the Dwelling and/or the Subdivision or any components or features thereof in any promotional or advertising materials without notice to or consent from the Purchaser being required in any manner whatsoever.

### **ENTIRE AGREEMENT**

45. This Agreement and all schedules referred to in this Agreement constitute the final, complete, and exclusive statement of the terms of the agreement between the parties pertaining to the subject-matter of this Agreement and supersedes all prior or contemporaneous understandings or agreements or usage or course of dealings of the parties. Oral representations or warranties by the Vendor or its officers, directors, sales personnel, employees or agents prior to or at the time of entering into this Agreement or at any time thereafter shall not form part of nor shall they amend this Agreement. There is no oral and/or written representation, warranty, collateral agreement or condition affecting this Agreement or the Property, or supported hereby, except as set forth herein in writing. No reliance is placed by the Purchaser on any oral or written representations, opinions, advice or assertions of fact made by the Vendor or its officers, directors, sales personnel, employees or agents prior to or at the time of entering into this Agreement or at any time thereafter except as set forth herein in writing. Accordingly, there shall be no liability either in tort or contract, assessed

in relation to such warranty, representation, opinion advice or assertion of fact except to the extent aforesaid. The Purchaser has not been induced to enter into this Agreement by, nor is the Purchaser relying on, any representation, understanding, agreement, commitment or warranty outside those expressly set forth in this Agreement. The Purchaser acknowledges that the new home industry is multi-faceted and complex and that while sales personnel or agents may be knowledgeable about most issues regarding the purchase and construction of a new home, they cannot be expected to know all aspects in detail. The Purchaser is encouraged to have this Agreement reviewed by the Purchaser's solicitor prior to signing same. The Purchaser acknowledges having read all paragraphs and schedules of this Agreement.

**IRREVOCABLE**

46. This Offer is irrevocable by the Purchaser until one minute before midnight on the irrevocable date hereinbefore set out, after which time if not accepted, this Agreement shall be void and the deposit monies returned to the Purchaser, without interest. This transaction shall be completed on the Closing, on which date vacant possession of the Dwelling is to be given to the Purchaser.

**RIGHT OF SURVIVORSHIP**

47. Notwithstanding anything contained in this Agreement to the contrary, it is expressly understood and agreed that if the Purchaser comprises more than one individual, then all individuals comprising the Purchaser shall be deemed and construed to have acquired the Property on joint account with right of survivorship, and accordingly should any of the individuals comprising of the Purchaser die before Closing and the completion of this Agreement, then the Vendor is hereby irrevocably authorized and directed to engross the Transfer/Deed in the name of the surviving individual(s) comprising the Purchaser, without requiring probate of the deceased individual's last will and testament (and regardless of the provisions of any last will and testament of the deceased individual comprising the Purchaser and/or any rules applicable on his or her intestacy), provided however that the surviving individual(s) comprising the Purchaser shall nevertheless be obliged to deliver to the Vendor's solicitor a notarial copy of the death certificate, or the funeral director's certificate, or other satisfactory proof of death of the deceased individual comprising the Purchaser, and shall also be obliged to execute and deliver, on or before Closing, the Vendor's standard form of indemnity pursuant to which the surviving individual(s) comprising the Purchaser shall jointly and severally indemnify and save the Vendor and its solicitors harmless from and against all costs, claims, damages and/or liabilities which either or both of them may suffer or incur as a result of transferring title to the Property to the surviving individual(s) exclusively (including any claims from any children, relatives or other heirs of the deceased individual comprising the Purchaser, or from any beneficiaries of the estate of the deceased individual comprising the Purchaser).

**APPLICABLE LAW AND JOINT AND SEVERAL LIABILITY**

48. This Agreement of Purchase and Sale shall be governed by the laws of the Province of Ontario. If more than one individual, partnership and/or company comprises the Purchaser, then all of the covenants, obligations and agreements of the Purchaser herein shall be deemed and construed to be the joint and several covenants, obligations and agreements of all the individuals, partnerships and companies comprising the Purchaser.

**1. Critical Dates**

The **First Tentative Closing Date**, which is the date that the Vendor anticipates the home will be completed and ready to move in, is: the \_\_\_ day of \_\_\_\_\_, 20\_\_.

A **Second Tentative Closing Date** can subsequently be set by the Vendor by giving proper written notice at least 90 days before the First Tentative Closing Date. The Second Tentative Closing Date can be up to 120 days after the First Tentative Closing Date, and so could be as late as: the \_\_\_ day of \_\_\_\_\_, 20\_\_.

The Vendor must set a **Firm Closing Date** by giving proper written notice at least 90 days before the Second Tentative Closing Date. The Firm Closing Date can be up to 120 days after the Second Tentative Closing Date, and so could be as late as: the \_\_\_ day of \_\_\_\_\_, 20\_\_.

*If the Vendor cannot close by the Firm Closing Date, then the Purchaser is entitled to delayed closing compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Closing Date.*

The Vendor can set a **Delayed Closing Date** that is up to 365 days after the earlier of the Second Tentative Closing Date and the Firm Closing Date: This **Outside Closing Date** could be as late as: the \_\_\_ day of \_\_\_\_\_, 20\_\_.

**2. Notice Period for a Delay of Closing**

Changing a Closing date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Closing twice by up to 120 days each time by setting a Second Tentative Closing Date and then a Firm Closing Date in accordance with section 1 of the Addendum but no later than the Outside Closing Date.

Notice of a delay beyond the First Tentative Closing Date must be given no later than: the \_\_\_ day of \_\_\_\_\_, 20\_\_.

(i.e., at least **90 days** before the First Tentative Closing Date), or else the First Tentative Closing Date automatically becomes the Firm Closing Date.

Notice of a second delay in Closing must be given no later than: the \_\_\_ day of \_\_\_\_\_, 20\_\_.

(i.e., at least **90 days** before the Second Tentative Closing Date), or else the Second Tentative Closing Date becomes the Firm Closing Date.

**3. Purchaser's Termination Period**

If the purchase of the home is not completed by the Outside Closing Date, then the Purchaser can terminate the transaction during a period of **30 days** thereafter (the "**Purchaser's Termination Period**"), which period, unless extended by mutual agreement, will end on: the \_\_\_ day of \_\_\_\_\_, 20\_\_.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed closing compensation and to a full refund of all monies paid plus interest (see sections 7, 10 and 11 of the Addendum).

**Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).**

## **SETTING AND CHANGING CRITICAL DATES**

### **1. Setting Tentative Closing Dates and the Firm Closing Date**

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

### **2. Changing the Firm Closing Date – Three Ways**

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
  - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
  - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
  - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the “Firm Closing Date” for all purposes in this Addendum.

### **3. Changing the Firm Closing Date – By Setting a Delayed Closing Date**

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

### **4. Changing Critical Dates – By Mutual Agreement**

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
  - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
  - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
  - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

## **Freehold Form (Tentative Closing Date)**

- (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
  - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
  - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

### **5. Extending Dates – Due to Unavoidable Delay**

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

## **EARLY TERMINATION CONDITIONS**

### **6. Early Termination Conditions**

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement.      Yes  No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

**Freehold Form  
(Tentative Closing Date)**

Condition #1 (if applicable)

Description of the Early Termination Condition:

**Schedule "X" (12)** Within fourteen (14) days after the expiry of the condition contained in Schedule "M" of this Agreement, or if no Schedule "M" is attached to this Agreement, then within 14 days of final acceptance, the Purchaser shall deliver to the Vendor:

- a. a mortgage approval and/or mortgage approval from a bank, trust company or other financial institution for at least 75% of the Purchase Price; or
- b. evidence from a bank, trust company or other financial institution, indicating that the Purchaser has sufficient funds and is able to close this transaction without registering a mortgage against the Real Property. If the Vendor determines in its sole unfettered discretion that the evidence provided to it pursuant to this Paragraph 7(b) is insufficient or not acceptable for the purpose of Closing, the purchaser shall deliver a mortgage approval for at least 75% of the Purchase Price to the Vendor within fourteen (14) days of request.

The Purchaser acknowledges and agrees that the failure of the Purchaser to deliver the documentation described at Paragraph 10, which must be satisfactory to the Vendor, within the time periods described herein, shall be considered a material default of this Agreement by the Purchaser. This condition is inserted for the benefit of the Vendor and may be waived by the Vendor at its sole discretion. If the Vendor does not provide notice to the Purchaser in writing within the time periods specified above that it is not satisfied with the Purchaser's financing documentation then this condition shall be deemed to be waived by the Vendor.

The Approving Authority (as that term is defined in Schedule A) is N/A – Condition for the benefit of the Vendor.  
The Vendor shall approve.

The date by which Condition #1 is to be satisfied is as per the time period set out in the Clause reproduced above.

Condition #2 (if applicable)

Description of the Early Termination Condition:

**Schedule "X" (2)** The Purchaser(s) acknowledges that the model type indicated in this Agreement has been preliminarily sited and is subject to final siting approval by the Municipality, the Architectural Control Committee, the Control Architect or the Vendor's surveyors. In the event such final siting approval is not obtained from any of the foregoing, the Purchaser(s) shall be given the first opportunity to submit an offer for a model type that does meet final siting approval for this particular lot. In the event an Agreement for another model type is not consummated within five (5) days of notification to the Purchaser(s) of which model type does meet the final siting approval requirements, this Agreement shall be at an end, the Purchaser(s) shall be entitled to a refund of the deposit money, without interest, but in no event shall the Vendor or the Agent be liable for any damages or costs whatsoever.

The Approving Authority (as that term is defined in Schedule A) is: Municipality, the Architectural Control Committee, the Control Architect or the Vendor's surveyors.

The date by which **Condition #2** is to be satisfied is 90 days before the First Tentative Closing Date.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

*Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.*

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
  - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
  - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
  - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:

**Freehold Form**  
**(Tentative Closing Date)**

- (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
  - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that:
    - (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
  - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

### **MAKING A COMPENSATION CLAIM**

#### **7. Delayed Closing Compensation**

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgment signed by both parties which:
  - (i) includes the Vendor's assessment of the delayed closing compensation payable;
  - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
  - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

#### **8. Adjustments to Purchase Price**

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

### **MISCELLANEOUS**

#### **9. Ontario Building Code – Conditions of Closing**

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
  - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
  - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

## **Freehold Form (Tentative Closing Date)**

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
  - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
  - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

### **10. Termination of the Purchase Agreement**

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

### **11. Refund of Monies Paid on Termination**

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

## Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you **by your builder** and backed by Tarion.

For more detailed information, visit [tarion.com](https://www.tarion.com) and log into our online learning hub at <https://www.tarion.com/homeowners/homeowner-resources-hub>

### The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: <https://www.tarion.com/homeowners/homeowner-resources-hub>

### Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase

price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

### **Delayed Closing Coverage**

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

### **Warranty Coverage**

The warranty on work and materials commences on your occupancy date and provides up to a maximum of \$400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

#### **One-Year Warranty**

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

#### **Two-Year Warranty**

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work and materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work and materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

#### **Seven-Year Warranty**

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

## Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty – not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

## Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>

## Important Next Steps

1. Visit Tarion's website to learn more about your warranty coverage and the process for getting warranty assistance, as well as your rights, responsibilities, and obligations as a new homeowner.
2. Prepare for your pre-delivery inspection (PDI). Visit Tarion's website for helpful resources, including a PDI Checklist and educational videos.
3. Register for Tarion's **MyHome** right after you take possession. 19. This community is subject to Architectural Control. Models available for sale have to be pre-approved by the Control Architect and certain models may not be available for some of the lots. Check with your builder regarding the particular situation for the model and lot you intend to purchase.
20. Purchasers of lots 42, 79, 98, 109-110, 115-116, 119-120, 125 and Block 129 are advised that there may be utility easements located on these lots/blocks in this subdivision. This may affect the usage of the lot/block, the location of fencing, and/or prohibit the erection of structures on a portion or the whole of the lot/block. If you are concerned, please call 905-874-2050.

21. Currently, there is a Brampton Transit bus route along The Gore Road adjacent to the subdivision.
